

Speaker Profile

Speaker:

Don Deems, DDS, FAGD, ACC

Qualifications:

Dr. Deems an honor graduate of Baylor College of Dentistry and of Coach University, maintains private dental and professional coaching practices in Little Rock, AR. Co-author of Roadmap to Success: America's Top Intellectual Minds Map Out Successful Business Strategies with Ken Blanchard and Stephen Covey, he is one of only a small handful of dentists who are professionally-trained coaches AND practicing dentists in the U.S. He is also the author of The Dentist's Coach®: Build a Vibrant Practice and The Life You Want. He holds an Executive Management Certificate from Kellogg School of Management, and he is the first and only dentist in the United States to receive the National Best Practices Award from the American Psychological Association. In addition to receiving his Fellowship from the Academy of General Dentistry, he is also a Diplomat in the Pierre Fauchard Academy and the American Academy of Pain Management. He is certified by the International Coach Federation as a professional coach. Since 2005, he has been annually recognized by Dentistry Today as one of the Top Leaders in Continuing Education/Dental Consulting. He has contributes regularly to many professional publications, such as Dental Economics, Dentistry Today, AGD Impact, Dental Compare, and others.

Presentations:

American Dental Association, National Conference on Dentist Well-Being - Keynote Speaker; American Association of Endodontists; American Society of Dentists in Europe; Southwest Dental Conference; Mid-Continent Dental Congress; New Mexico State Dental Meeting; The Virginia Meeting, Virginia Dental Association; Jersey Shore Study Club; Arkansas Psychological Association; numerous smaller study clubs and associations

Speaking Topics:

Dr. Deems speaks on topics of practice management, leadership skills, communication and relationship skills, strategic planning, and more. Because he is a dentist and a professionally-trained and certified personal and business coach, he has the unique perspective that is rare, and he can speak to the needs and challenges that dentists face daily.
